ANNUAL REPORT 2025-26

SCALING UP THE IMPACT

Message from the founders

THE JOURNEY OF 100 AND BEYOND

The early years of OSAAT were very different from where we are today. It started as an idea to create an equal education platform, building schools, providing anything a child requires to succeed. Today, we are standing at a different place where scaling up is our immediate goal.

We have gone much beyond Karnataka and stepped up our work in many other states from Gujarat, UP, Jharkhand, Bihar to the southern states of Tamilnadu, Telangana and Andhra Pradesh.

Our teams are getting bigger and more region focussed all over India. Our deliverables are moving beyond physical infrastructure and are poised to provide more offerings.

Digital Infra enables children anywhere to get a level playing field. It's not just about tools, but learning how to learn by mastering those tools. So if an ODiSI, our digital program student wants to use AI, they are equally capable like the urban students.

We are also taking another leap in providing more learning capabilities inside the school, spearheaded by our post-interventions team that steps in after the school is handed over after construction.

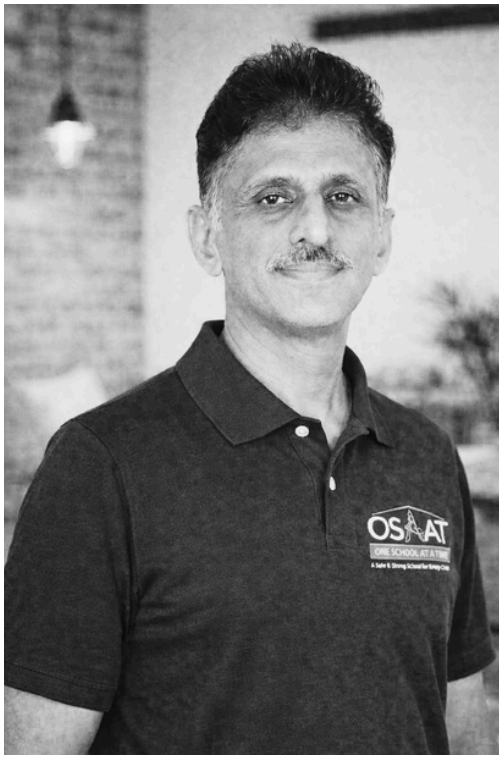

As usual, we are in awe of our dedicated volunteers and professionals who are always there to partner OSAAT. We thank our CSR partners, Donors and Government in this journey of transforming the lives of rural children.

OSAAT has now rebuilt **118** schools and made **116** schools digital-ready. That's a **234** school impact reaching over **170,000** students in **11** states.

04 OSAAT OFFERINGS

PHYSICAL INFRA- 100+

When a child walks into a safe, lively school, it's the start of a new journey. Learning in a place that brings in dignity, is the first step to inspire and reach out to fulfill dreams.

Crossing the milestone of 100 schools in rebuilding schools was just a starting point, as the stage is set for 25 more schools this year spread over 6 states! New corporate partnerships, new districts added have led to new zeal in scaling up our work in the Northern states.

DIGITAL INFRA- 100 +

Bridging the learning gap needed an intervention that understood the ground reality. This is the reason why OSAAT's digital program ODiSI is a complete solution to enhance learning.

Once the physical tools are in place, the training given to teachers and students makes a big difference. Helping them use technology to learn, including the lasest AI tools, ODiSI team supports them in a multi-year onsite program.

NEW INTERVENTIONS

Building and handing over a ready school is only the start. We take the next step to support the school and the SDMC to keep up the premises, integrate best practices, work towards sustenance and make the students give their best.

We also step in to provide further facilties to deserving schools like libraries, sports to even pink rooms to further the pride of coming to school.

06 FINANCIAL SUMMARY

OSAAT INDIA

WHAT FUNDS THE MISSION

Grant Source	Amount (₹ lakhs)	Share (%)
CSR Grants	799.18	76.6%
HNI Donations	204.89	19.6%
Govt. Grants	25.00	2.4%
Miscellaneous	14.31	1.4%
Total	1,043.38	100%

OSAAT USA

In the USA, it's the HNI donors that contribute to the cause.

HNI Donations
2312

All amounts in lakhs

In the USA, funding is chiefly driven by HNI grants as shown above.

In India, Corporate Social Responsibility has been the pivot that has led the India contribution figures as shown here.

Next is the HNI donations from our kind donor partners that have added on to keep the OSAAT mission deliver consistently.

Government Grants, though niche, is another area that play an important role to complete the picture.

07 INAUGURATED: OSAAT'S LARGEST SCHOOL

Masti village gathers to celebrate the 21-classroom school : a dream come true for the rual children and parents alike

The gate to opportunities for the young ones

The expansive courtyard with an amphitheatre

08 EVERYTHING A SCHOOL CAN BE!

The new Masti school also got a Kitchen block that has been designed in collaboration with Akshaya Patra Foundation, that runs the the world's largest NGO-run school feeding programme.

A grand entrance where aspirations can match opporunity to nurture the young minds!

From the archives: Classrooms and courtyard before the construction!

09 MASTI: COMPARABLE TO THE BEST

Classrooms made beautiful and a play area to match the energy of the young ones!

The large-hearted donors Mr & Mrs. Linda & Janardhan Thakkar of Thakkar Family Foundation were felicitated by the entire village, elected representatives, parents and children.

PARTIAL FUNDING

appfire

SCHOOL BLOCK PROJECT

PARTIAL FUNDING

We are delighted to welcome Volvo CSR Trust, GE Aerospace, Megha Engineering and Appfire Technologies to OSAAT.

We are privileged to have our long term partners like TCS, Mitel, Amadeus, Rakuten, GoTo Technologies, Pramati, PowerSchool and others to support us year on year with schools across India.

This has helped in creating aspirational classrooms, hygienic toilet blocks and clean kitchens, as well as indispensable add-ons that add value to the school and pride to the students.

14 ODISI - A NEW HORIZON

SKYLINE
ENGLISH DAILY
Training on digital tools for teachers of 22 government schools in Palamaner and Kuppam constituencies

ODiSI is bringing in equal learning with its Digital Program that provides network, gadgets and platform to use digital assets. Various corporate partners have also come forward to take this silent revolution to the villages to bridge the digital learning gap.

Technology Training: Teachers & Students

Reach and Impact

Schools	116
Students	21,858
Teachers	1,043
Learning	35,568
Participation	97.70%

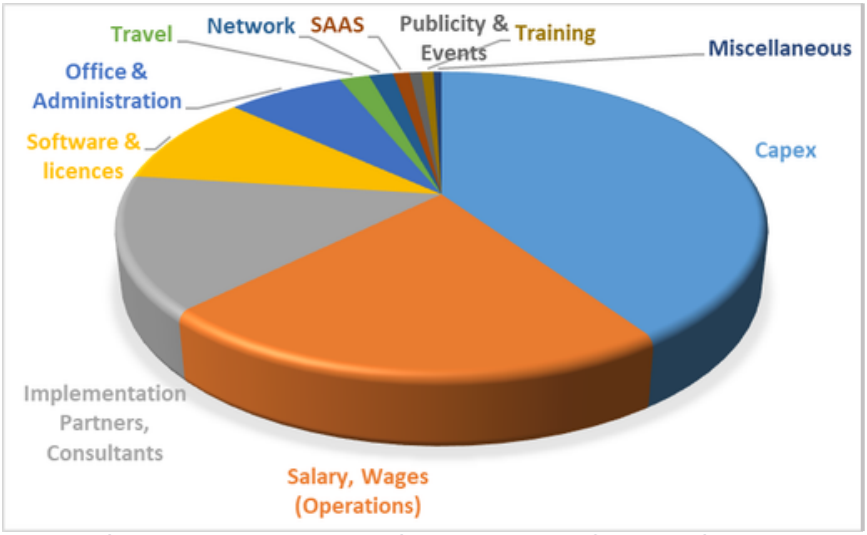

Devices Deployed

- Smart TVs - 162
- Laptops - 408
- Digital Tablets - 2349
- Desktops - 159
- Internet Hotspots - 81
- Wifi/broadband - 57

FINANCIAL SUMMARY

Average Program Delivery Cost:

₹ 4 Lakh per School
₹ 2,146 per Student

(varies based on number of classrooms, student count, 1st year or subsequent year of program)

15 ODISI IN NEW STATES

GUJARAT

ANDHRA PRADESH

- Andhra Pradesh and Gujarat start ODISI Digital programs.
- In AP, Chittoor district cluster of 22 schools launched benefitting 6000 students and 300+ teachers.
- In partnership with IIT Gandhinagar, ODISI has been integrated with Gujarat State's digital offering benefitting 1200 students and 40+ teachers in 8 schools.
- 765 tabs, 98 laptops distributed along with connectivity devices.

ODISI 2025-26 :

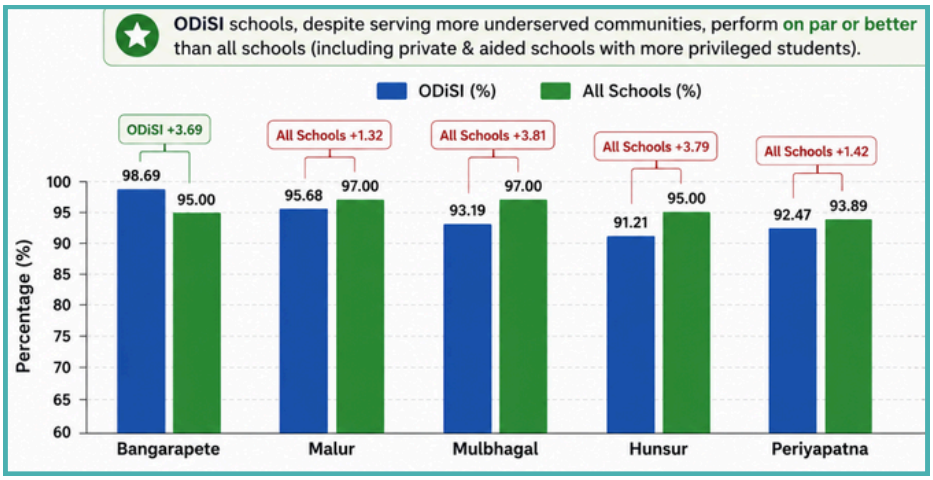

3 STATES

8 RURAL TALUKS

KARNATAKA |
ANDHRA PRADESH |
GUJARAT |

CLUSTERS	SCHOOLS	STUDENTS
Bangarapete Taluk, Kolar	8	1680
Malur Taluk, Kolar	17	2680
Mulabagal Taluk, Kolar	21	2941
Hoskote, Bengaluru Rural	10	2158
Hunsur, Mysuru	16	2417
Periapatna, Mysuru	14	2043
Chittoor, AP	22	6826
Gandhinagar, Gujarat	8	1057

16 ODISI SCHOOLS - IMPACT ON THE GROUND

***Kavya**, who first learnt how to use a computer with us, training and learning on a tab and laptop. She went on to clear SSLC with distinction. She is the first from her family to get into Science stream.*

Young Achievers

***Nishchala**, top scored in her SSLC exams. She was given a laptop to continue further, as she took another challenge of switching from Kannada to English for PUC! She went on to top the science stream and is on course to join the medical stream.*

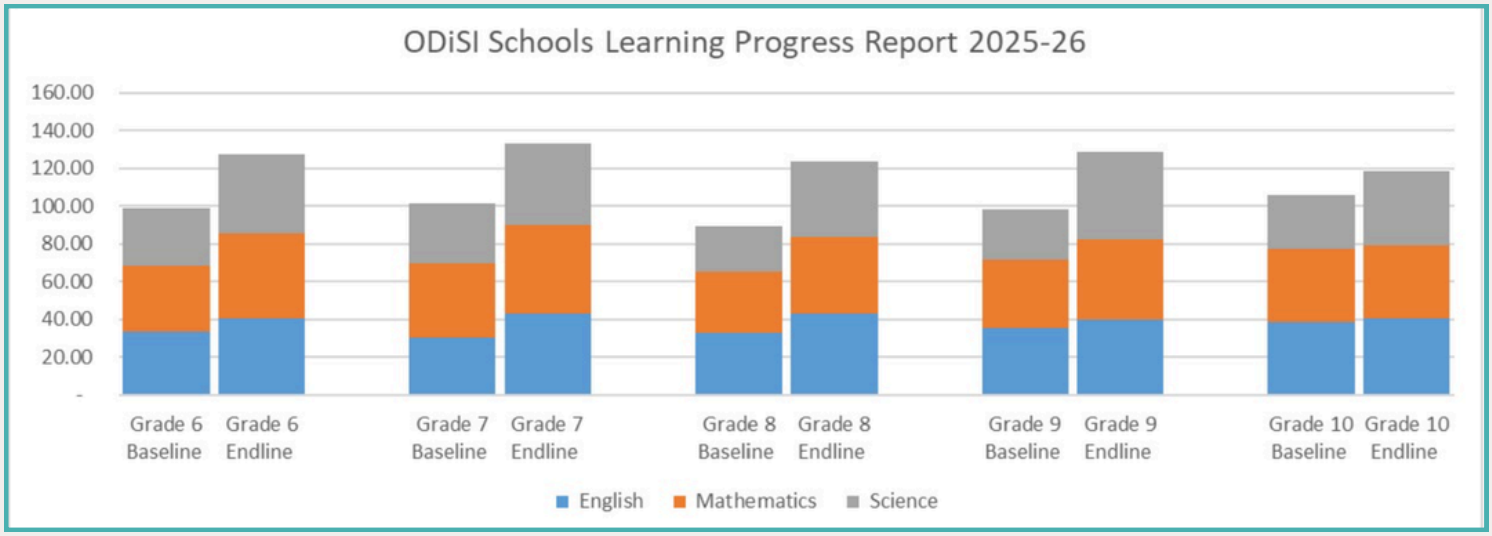

IMPACT METRICS

SUMMARY (Total Students)

Below 35% (Fail)	35% – 70% (Pass)	70% – 90% (Distinction)	Above 90% (High Distinction)
1,937 → 654	7,181 → 5,943	1,407 → 2,096	320 → 559
66.2% decrease	17.2% decrease	48.9% increase	74.7% increase

More students are moving into higher performance bands.

Based on analysis of Baseline and Endline assessments, which were standardized and controlled, **ALL graders have shown improvements** in English, Mathematics and Science subjects using ODiSI.

17 OTHER INTERVENTIONS

NEW LIBRARIES SET UP IN 5 TN GOVT SCHOOLS

- Mariam Foundation is OSAAT library partner.
- 5 TN schools got the library setup at INR 10L.
- Tables, Chairs, Storage were also provided along with school-selected competitive and syllabus books.
- The Post Intervention team keeps in touch with OSAAT schools to monitor and support.

School Renovation:

- Schools in the Mysore & Raichur districts were refreshed and refurbished after years, getting back the new look.
- Students are back in vibrant new environs and energy.

EVENTS - INDIA & USA

TCS WORLD 10K BENGALURU

The TCS World 10K Run is an annual event that attracts over 30K participants in the city. OSAAT was chosen as the direct beneficiary for fundraise by TCS.

The proceeds were used to start an ODiSI digital program at the newly inaugurated Masti School in Kolar, Karnataka.

OSAAT GALA FUNDRAISE USA

The annual fund raiser in US was a big draw with the OSAAT story spreading further. CEOs who had gone beyond the written script shared their inspirational stories.

- 250 attendees
- 50+ pledges
- 17 new schools funded
- Motivational panel discussions
